## Finding a Project

To find a Florida COM project, decide on your ministry and skills, then browse through the projects found in Project Menu

Active Projects

On-Going Projects

Fairs, Festivals and Events.

This section will also have information on the projects you may be interested doing as you go. This section deals mainly with yearly ongoing projects anywhere in the US. This can also be reached from the main menu by going to: "Active Projects" in the main menu.

Having found a project to your interest, then contact the COM Supervisor or Coordinator of your identified project to determine if and when is the best time for you to join the project. If the project does not have a COM Supervisor or Coordinator you can directly contact the host project person responsible for volunteers coordination.

**Please do NOT proceed to a project site until you have a firm, scheduled, reserved RV site or lodging. You will be asked to show your national COM I.D. card.**

If you desire to work on a project in another state, go to [www.flcampersonmission.org](http://www.flcampersonmission.org), then select/click "Related Links", then select/click "Official State Chapter Websites" and click on the state where you want to go. You will be connected to that state web page and you can then browse their Projects section for their activity.

# ***Protected: How To Add Project/Ministry Information Projects***

To add projects to the list, or to update existing projects, contact our state project director.

Welcome to Florida COM Projects menu, a place where you can find a service or ministry activity just for you. Here you will find 2020 Projects that are Active, On-Going, or in the Planning process. Active Projects are those that are ready to receive COM Volunteers, and may have already started. On-Going Projects are characterized as long standing and continuing activities accepting volunteers for jobs that occur seasonally or yearly such as summer camps or colleges. Planning and Future Projects are those in the very early definition stage, and which have a strong anticipating interest in FLCOM participation in the future. Lastly, we have included activity involving Fairs, Festivals and Events.
