

Florida COM Background Check

Required for membership Required for ALL PROJECTS

Protect My Ministry is the same company used by the Southern Baptist Convention and many churches throughout Florida. They constantly reminded me that there will be no information disclosed that is not public record. Everything will be very confidential. This screening is for your protection as well as for the protection of FLCOM. Let me remind you that even with this screening, you may be asked by certain camps, VBS, etc. to do an additional background check that is specific to that organization. Each organization has their own requirements. We have done this check and it only takes about 2 minutes. Go to <https://ministryopportunities.org/FCOM>. After you have completed the form, you will be asked to pay by credit card approximately \$20.00. The process is quick and easy. We sincerely hope that each of you will take advantage of this opportunity. There are no registration fees for membership in COM and this will be the only time that we ask you to pay for these services.
