You can use it at your church or any other church. Be sure to wear your COM shirts and name tags. *Here is all you need to make your own Campers on Mission display table.*

*You will have to put all files you want printed or enlarged by a printing company on a memory stick or CD / DVD.*

FOUR 8 1/2 X 11 printable size COM display posters (pdf) files that can be taken to Office Depot, Staples, some UPS stores, any other print shop and enlarged to 11 X 17 or larger size. Office Depot has Orange, Blue and Green 11 X 17 card stock for a little over \$1.00 each.

### OPTION A. NO FRAME

Put posters printed on orange card stock and glued them on a blue piece of poster board. You can cut any size boarder you want. I cut a 1 inch blue border around them. You can pin each poster on a tri-fold display board or put them on tripods. Take a cardboard box and covered it to make a tri-fold board.

### OPTION B. 11 X 17 FRAME

You can go to Wal-Mart and get 11 X 17 frames. ( Mainstays 11x17 Format Picture Frame, Set of (3) By: Mainstays Walmart #: 001709211 ) All three for \$11.91 on line.

### OPTION C. 16 X 20 FRAME

Also you can glue each poster on a blue color poster board. Center poster on sheet of blue poster board.

### ***TRY THESE MEASUREMENTS TO START OUT WITH BEFORE CUTTING***

Approximate measurement are 2 ½ inch border on each side and a approximate 1 ½ inch border for the top and bottom. Adjust measurements to fit frame. Make sure this will fit the frame and is centered in the frame. Now cut blue poster board EXACTLY to fit 16 X 20 frame. **12. COM. NATIONAL DISPLAY CROSS PATTERN.jpg and COM. NATIONAL DISPLAY CROSS PICTURE.jpg**

The cross pattern pieces needs to be cut from solid hard wood (oak, walnut, cherry) board so each piece has the wood grain pattern going in the same direction as the pattern shows. This is what makes it hard to put the cross together. Cross pieces has a front and back. Put a mark on the back of each. **ALL CROSS PIECES MUST BE PLACED FACE UP ON PLYWOOD BOARD AS SHOWN ON THE PATTERN.** Place cross pieces together on a thin piece of plywood. Draw around the cross outline with a pencil, now take a marker and draw a darker outline of the cross on the plywood board. All the pieces will fit inside of the cross as the picture shows. **INDIVIDUAL PIECES CAN NOT BE FLIPPED OVER.**

**EVERY THING IN THIS PACKAGE IS FREE TO USE ANY TIME OR PLACE.  
May the LORD be glorified "AS WE GO" and share the GOOD NEWS.**
