Pastor

Would you like
to commission

Missionaries

from your church?

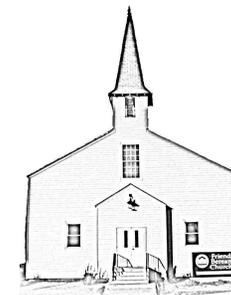

or

Would you like to have

Missionaries

come and minister

to your church?

If you answered either or both of these questions with a **YES**, then please take five minutes and look inside to find out how you can make this happen.

From a Pastor's Perspective

As the pastor of a mission-minded church right here in Florida, I give a resounding yes to both of the questions on the front of this brochure. What a glorious experience to commission people from your church to go on a mission project. All of us have families in our church that are campers. They may have an RV, pop-up, trailer or tent, and they enjoy camping. Campers on Mission (COM), a national organization with its largest chapter in Florida, helps funnel that desire of camping into mission projects. I know that many times we are concerned that it means we will lose leadership or financial support these families provide to our local congregation. I have found that we do not lose either of those when we put an emphasis on commissioning them as missionaries from our church.

Florida's Campers on Mission are also available to come and minister to your congregation. There is a falsehood that all they do is construction projects, but there are so many more ways that COM can assist you and your church.

From one pastor to another, I want to encourage you to consider promoting COM to the people in your church that love to camp. It will give them a chance to do something they enjoy and at the same time be a missionary from your church...

Rev. Tom Rives

Retired Pastor
and COM'ER

Construction Projects

Construction projects have long been the most advertised of all the things that Campers on Mission do, whether that is a building project from the ground up or refurbishing an existing facility. Our volunteers have experience in carpentry, dry wall, electrical, flooring, painting, masonry, and much, much more. We travel in all types of recreational vehicles. In other words, we bring our housing with us. We can stay as short as a day or two or for several weeks, depending on the project we are working on. We do ask the church to have all permitting completed, blueprints, or plans that might be needed and hookups for our RVs. A meal provided by the church each day and an opportunity to do laundry is greatly appreciated.

Fairs, Festivals & Special Events

Our volunteers are ready to help with State, Area, and County Fairs. We provide for the fair, assist with operations and even provide Ministry to the carnival workers and their families. We are also available to help with Association and individual church events. Ballooning, crafts, puppets, face painting, clowns and other entertainers provide for many various activities for Camps, Retreats, VBS, Bible Clubs and Festivals. These activities can be a single day or for several days running. For extended time events, we need to have hook-ups or our RVs.

About Us

Campers on Mission (COM) is a national fellowship of Christian campers who share their faith and serve in various ways while they camp. We are born-again Christians from various backgrounds "Sharing Christ as We Go" as we work hand in hand to make a positive impact across the nation.

What does COM do?

COM members accept short-term volunteer assignments across the United States and Canada. From state fairs and motor speedways to rural campgrounds, COM combines a love of the outdoors with ministry.

Who can join COM?

Any born-again, believing adult! Whether single, newly married, married with kids, empty nesters, retired, or widow/widower, camping enables you to be flexible in witnessing beyond the walls of the church. COM is family friendly and provides a great way to experience the relaxation of vacation with the satisfaction of a mission project. It is a great pathway to become an on-mission family.

How do I become a member?

Campers on Mission are members of State COM Chapters. An online membership application can be found at campersonmission.org.
